Hinged doors ( )                      sliding doors ( )                      flaps ( )

..... number of ( )-leaf doors                      ..... number of ( )-leaf doors

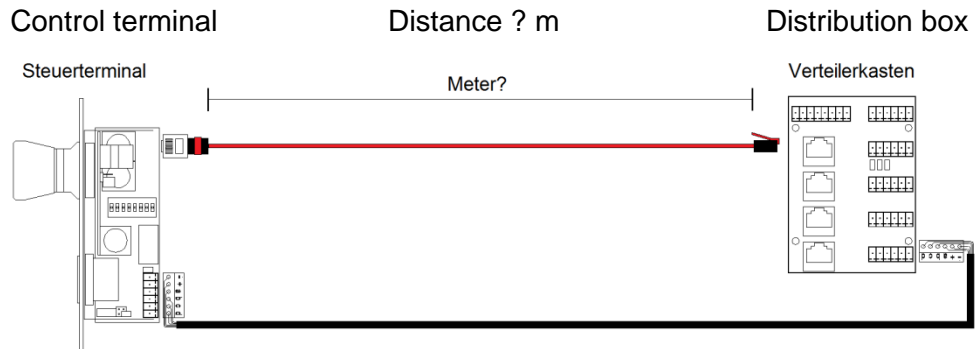

Material of doors.....height.....mm, width.....mm

Notes.....

Material of partition walls....., wall thickness.....mm  
(e.g. brickwork, concrete, drywall construction, insulation compound panels)

### Connection cables

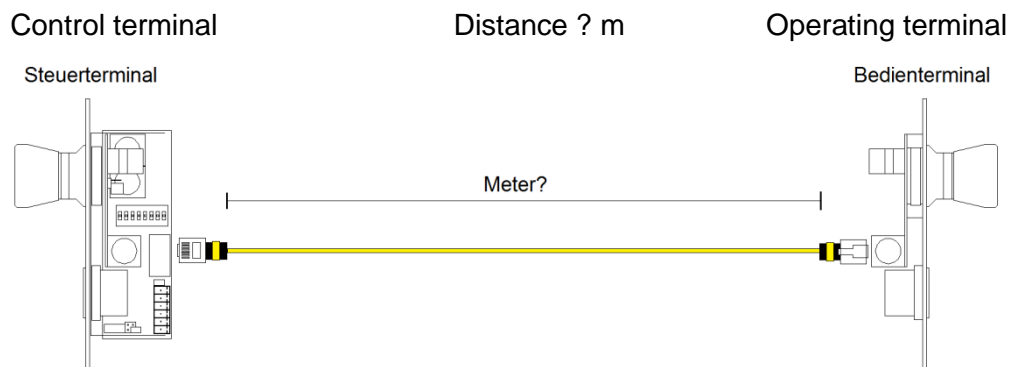

#### Control cable, red

- 3 m     
  5 m     
  10 m     
  Connector to connect two control cables

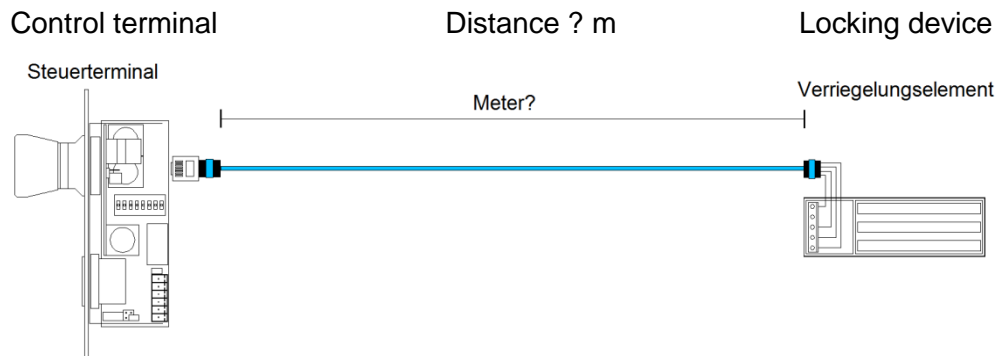

#### Power cable, black

- 3 m     
  5 m     
  10 m     
  15 m

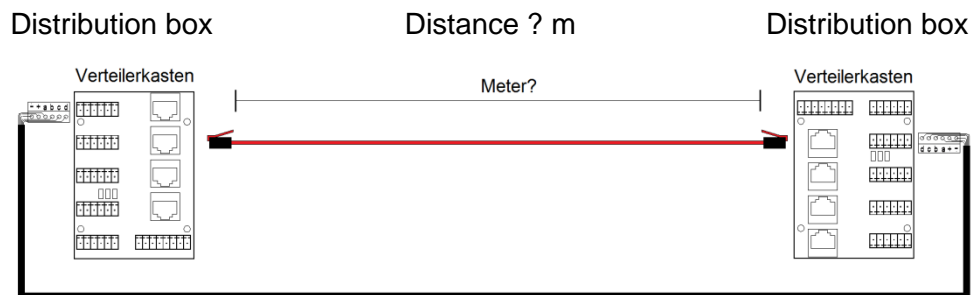

#### Connection cable control terminal / operating terminal, yellow

- 0.25 m     
  1 m

**Connection cable control terminal / locking device, blue**

- 0.25 m       2 m       4 m

For interlock systems which require several distribution boxes

**Control cable, red**

- 3 m       5 m       10 m       Connector to connect two control cables

**Power cable, black**

- 3 m       5 m       10 m       15 m

Other information:

.....

.....

.....

.....

.....

**Accessoires**

**Door drive:** for .....doors integrated in the interlock control system

for ..... -leaf hinged door ( ) sliding door ( )

Dimensions of door.....weight.....

(If necessary, please ask for our door drive questionnaire.)

Existing door drive (details of product).....

.....

.....

**Time control unit:** for adjustable closure times on .....doors

with display on one side ( ) on both sides ( )

(e.g. pressure adjusting, cleaning procedures etc.)

**Emergency exit terminal:** on ..... doors

of which are ..... fire doors

**Access control:** on ..... doors

Releases the door directly ( ) releases the opening key ( )

**Acoustic / optical signals:** on ..... doors

(e.g. status of door by siren or hazard warning flasher)

**Door status** to be transmitted to a central ( ) yes ( ) no

**More information**    **Linkage** of single doors of different interlock systems

( ) yes (drawing of the system)                      ( ) no

**Linkage** with superordinate control system    ( ) yes                      ( ) no

Desired function (e.g. activation on certain pressure and/or temperature parameters)

.....  
.....  
.....

**Protection:**    IP.....                      Ex..... (layout plan and protection class)

Notes.....

.....

**Special ambient conditions**.....

.....  
.....

**Mounting** by DICTATOR Technik GmbH                      ( ) yes                      ( ) no

Site of installation (exact address).....

.....  
.....  
.....

We will promptly submit an offer to you according to your information.
